**from November 25th to December 6th 2019**

**Pile 1: Bundled Green Waste (sticks branches leaves)**

**Pile 2: Scrap Metal (fridges, ovens, microwaves and other metal objects)**

**Pile 3: Hard Waste (old Furniture, beds cupboards )**

**Pile 4: TVs and Computers**

Our annual pre cyclone season clean-up has come around again the key dates this year are from November the 25th to December the 6th inclusive. Items for collection must be placed neatly in front of your property. Please separate piles of waste. Green waste, Scrap metal ,Hard waste Electronics etc

We will also be removing unregistered cars and wrecks. If you have cars you are stripping for parts they need to be inside your property . Unregistered and/or abandoned vehicles will be marked with an X . Any vehicles marked with an X that is on the road or footpath will be removed as part of the cleanup

Lets all work together to cleanup our communities. Remember any rubbish put out after the 6th of December will not be removed and you will have to dispose of it yourselves. Please everyone keep help our communities clean remember the standard you walk past is the standard you set.
