6.1 In Camera – Gravel Pits

This matter is considered to be confidential under s.254J(3)(e) and (g) of the *Local Government Regulations 2012*, and the Council is satisfied that the discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with legal advice obtained by the local government, including legal proceedings that may be taken by or against the local government, and negotiations relating to a commercial matter involving the local government for which a public discussion would be likely to prejudice the interests of the local government.

An overview of what is to be discussed while the meeting is closed is matters relating to the Native Title validation for the use of gravel pits in the Northern Peninsula Area local government area, including Federal Court Proceeding QUD 86/2024 in which Council is the Respondent.
