

## PUBLIC NOTICE

### WATER UPDATE

– 15 MAY 2025

## Boil Water Alert – Injinoo & Umagico

Residents of Injinoo and Umagico are advised to Boil Water before drinking – for the next 4-5 days. As a precaution, boiling water will ensure it is safe to drink. NPARC will update 19/5/25.

1. Fill a pot or Kettle with water

2. Bring water to the boil

3. Allow the water to cool

4. Store in a clean sealed container

**When WATER IS BOILED and is cool, safe to use for:**

- drinking
- making baby formula
- making ice

**Water NOT BOILED safe for:**

- Showers, baths, shaving
- flushing toilets
- washing clothes
