A message from Deputy Mayor Michael Bond

Our Deputy Mayor Councillor Michael Bond from the New Mapoon community has given some highlighted tips on what he wants to see this year and hope that this year brings some new vision to NPA.

NPA as a whole.

I would like to see the same as above, with some additional activities and projects such as:

1. The completion of and funding acquired for the new Seisia Wharf Master Plan precinct.
2. The sealing of the Jardine River ferry road and continued maintenance of the portion of road south of the Jardine and our local roads.
3. Commonwealth and State Government provide further funding for housing to fulfil the Community Master Plans and most importantly, meet the needs of the families in crisis.
4. Funding be acquired for our New Airport Terminal
5. Continuation of the Local Airfare Scheme
6. Introduction of a 2 shipping policy to reduce the cost of freight or freight for supermarket dry and freezer goods (food) be subsidised.
7. That Social Housing Policy be reviewed to reflect Community needs.

Mud Rally and Pig Hunt

The Northern Peninsula Area Regional Council (NPARC) in collaboration with the Queensland State Emergency Service (SES) were proud to host our annual Mud Rally and Pig Hunt competition. This was a successful event held on Australia Day that brought the communities together. The heavy rain didn't defer any of the participants creating a difficult track for mud rally drivers and pig hunters.

The Mud Rally competition was divided into three (3) categories of 4 cylinder / 6 cylinder vehicles and a woman's category. Whilst the track was difficult we would like to congratulate the following drivers.

Congratulations to -

4 cylinder - **1st** Axel

2nd - Edward Newman

6 cylinder - **1st** Charles Poipoi

2nd - Robert Carmody

Women's - **1st** Veronica Jackonia

2nd - Angela Gowa

The Pig Hunt competition proved to be difficult for many teams as the weigh-in time was extended to 6:00pm. All nine teams were able to successfully weigh-in their pigs and the following results were announced.

1st Equal— Jardine Ferry Boys and Trekker team both weighing in with a 69kg pig Trekker team,

2nd Place— Crazy Mob with a pig weighing in at 32kg

"It was a great day for friendly competition, I thank all the teams and participants who supported this event " *Mayor Edward Newman*

NPARC Events Officer Ruby Neliman acknowledged and recognised the 10 local residents who joined the SES voluntarily and participated in the four day long Rescue and Operate Communication Equipment Course. For more information on how to join the SES program please contact Cairns SES Regional Office for up and coming workshops and courses.

"Happy with the day, the gold coin BBQ which included Sausages, Patties and Steak was a success. Kids had a lot of things to do, colouring competition, Information packs from the SES and Rural Fire Services, and questionnaire competitions" *Ruby Neliman*

The Mayor Edward Newman and NPARC staff Ruby Neliman, Nola Lewin, Anna Nona, Marsat Newman would like to thank the local residents and sponsors for supporting the day. Special mention to our volunteers – Mona Townson, Alice Townson, Leah Mosby, Beatrice Sebasio, Michael Babia, Tanu Poipoi, Sarah Phineasa, Stephina Bowie, Jordan Sebasio & Jeremiah Sebasio and Wilfred Jackonia

Next Major Community Event

NPARC and NPA communities will welcome the Queens Baton Relay on March 3rd 2018. The relay is part of the Gold Coast Commonwealth Games in April 2018. Local residents are encouraged to support this relay as it is a prestigious moment for the NPA region.

The Queen's Baton Relay is a Games tradition that celebrates the Commonwealth's diversity, inspires community pride and excites people about the world-class festival of sports and culture to come.

The Queen's Baton carries a message from Her Majesty Queen Elizabeth II that calls the Commonwealth's athletes to come together in peaceful and friendly competition.

Starting on 13th March 2018 at Buckingham Palace, the Baton will travel on a epic 388 - Day journey through all nations and territories of the commonwealth.

The Queens baton will arrive on the Gold Coast for the XXI Commonwealth opening ceremony on 4th April 2018, where her majesty, or a representative, will remove the message from the baton and read it aloud to officially open the games.

NPA Arts Centre

The NPA Art Centre is welcoming local artists to use its facilities and services to assist the artists in getting artworks created and ready for the NPA "Keep the Flame of Culture Burning" Festival, Gab Titui Art Awards and Cairns Indigenous Art Fair.

Drop into the Art Centre or call Leonora Adidi Arts Development Coordinator on 07 4083 0271, email arts@nparc.qld.gov.au

NPA Community Options Project

Enjoying living at home with support from our services

The Aged Care Staff are UME MOB here to support Ume elders live in our community with family if you need help.

The Aged Care service will not do things which family can still help with or activities that clients can do for themselves. We will include you in activities that keep your body and brain active which is good for your health.

Have your say in your care

You can have your say in what services you receive and who provides the care in your Home Care Package.

You can decide how much you want to be involved in managing your care package.

Every month you will get a financial statement telling you how much money your home care service cost.

Your agreements

Each client is asked to sign a client agreement when they start with the service. Your agreement states:

- your services the client will receive
- your rights, your responsibilities and cost
- responsibilities of the Age Care Service
- other services

What your Aged Care Service do?

The Aged Care Program helps elders and in our community who need support. It also provides support to our older people who need more care to keep them at home here in the NPA so they do not have to go away to a nursing home on Thursday Island or down south.

Who can use the service?

Frail Aboriginal and Torres Strait Islander people who are over 50 are eligible to use the service.

How do I get the service?

Talk to your MOB at your Aged Care Service to get started on your service through My Aged Care.

Ume Elderly can get help for aged care service by a doctor, your family, the Community Options Project or any other community based service.

Aged Care programs

You can get Commonwealth Home Support Program (CHSP) if you need just a little bit of help to keep living in the community on you own. More frail elders can get more services through the Home Care Program (HCP), but they need to be assessed by the Aged Care Assessment Team (ACAT) first.

Your Care plans

Each client has a care plan developed that describes what services will be delivered to them and how often services are provided.

The care plan will be reviewed regularly depending on how much care people need. If clients go into hospital or have a change in health or social support, the care plan must be reviewed. We will ask permission to share any information about clients with the Clinic or with anyone else. A copy of the care plan is given to each client.

Costs for Aged Care

The Australian Government has a policy of charging for aged care services. The following charges will apply:

- \$5.00 for each meal provided
- Daily fee of 17.5 % of the single basic Age Pension for Home Care Services Home Care Package.
